

## EXAMPLE: 3 Mile Walk to High Force

**High Force (blue pin) is the largest waterfall in England, falling 21m or 70ft.**

- **Start opposite the car park entrance (red pin)**
- **Follow the footpath downhill toward Holwick Head Bridge**
- **Cross the bridge and turn right to join the Pennine Way**
- **Viewing point and information board (purple pin)**
- **Now retrace your steps to the car park (3 miles in total)**

**Additional layers on this Outdoor Map show Scheduled Monuments, Ancient Woodlands and Contours. This example also uses drawing, symbols, measuring and annotation.**
